# Get Started with Revel

## Welcome to Revel™

Revel is an interactive learning experience that replaces your textbook and allows you to read, practice, take notes, and test yourself, all in one place.

### Register for Revel *without* a learning management system (LMS), such as Blackboard, Canvas, Moodle, or D2L

- Enter the Revel course invite link provided to you by your instructor into a [supported browser](#).
- Login into your Pearson account or create an account.
- Enter an access code (if you have one) or purchase immediate access using a credit card or PayPal.

[View Get Started Guide & Video \(No LMS\)](#)

### Register for Revel *with* a learning management system

If your instructor has told you to access Revel through Blackboard, Canvas, Brightspace, or Moodle, then you don't need a course invite link. Purchase access and enter the your Revel course directly from Blackboard, Canvas, Brightspace, or Moodle.

# Get Started with Revel

Access specific instructions for your Learning Management System:

**Blackboard:** Get Started Guide & Video

**Brightspace by D2L:** Get Started Guide & Video

**Canvas:** Get Started Guide & Video

**Moodle:** Get Started Guide & Video

## Temporary access

You have the option of choosing 14-day temporary access when you register for Revel. You can upgrade to full access anytime during those 14 days or even after your temporary access has expired.

**Video:** Upgrade from Temporary Access

# Pearson Revel App

You're mobile, so Revel is mobile.

Download the Pearson Revel app from the App Store or Google Play on your phone and tablet.

Read, listen to audio narration (available for most courses), take quizzes, make highlights and notes, and set assignment notifications so you never miss a due date.

Your progress automatically syncs across all devices, including your laptop or desktop computer, so you can learn as you move throughout your day — on the train, on the bus, or whenever you have a moment.

**NOTE: Before using the Revel mobile app, all students must register for a course online through a web browser.**

**Video:** Get Set up with the Revel App

# Dashboard

Dashboard provides easy access to your **eText** and your **assessments**—all in one place.

Due dates, past due, and upcoming assignments are clearly labeled in your Dashboard. You'll never miss an assignment but, if you do, your Dashboard will make sure you know!

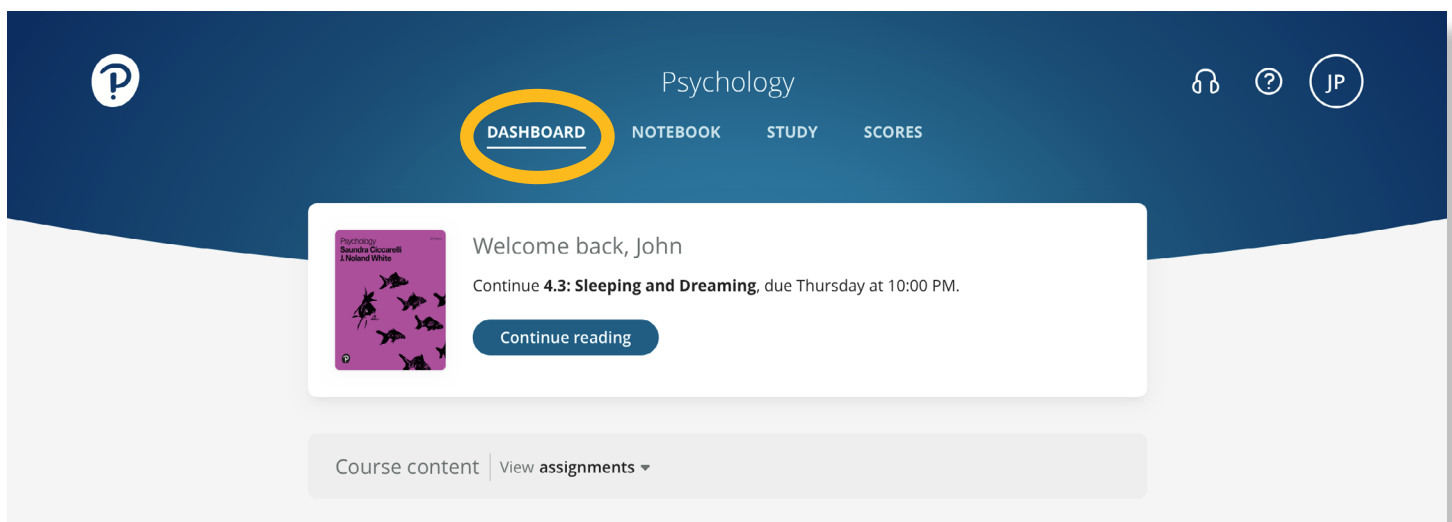

You can organize your Dashboard by **assignments** or **all chapters**. Use the **Course content** menu on the web or the **filter icon** in the Revel app to toggle between assignments view and chapters view.

Select any reading or assessment in your Dashboard to open it.

# Dashboard

## Dashboard in the Revel app

Access your Dashboard from the Revel app by selecting **Dashboard**. Use the filter icon to switch between **assignments** and **all chapters** view.

View of the Dashboard in the Revel app

# Dashboard: icon legend

While in your Dashboard, you'll notice icons next to your readings and assessments. These icons can help you identify which items are worth points. They can also help you keep track of your progress. Let's take a closer look.

## Icon

## What does the icon mean?

The reading or assessment is worth points and hasn't been started.

The reading or assessment is worth points and has been started but not completed.

The reading or assessment is worth points and has been completed.

The reading or assessment is not worth points and hasn't been started.

The reading or assessment is not worth points and has been started but not completed.

The reading or assessment is not worth points and has been completed.

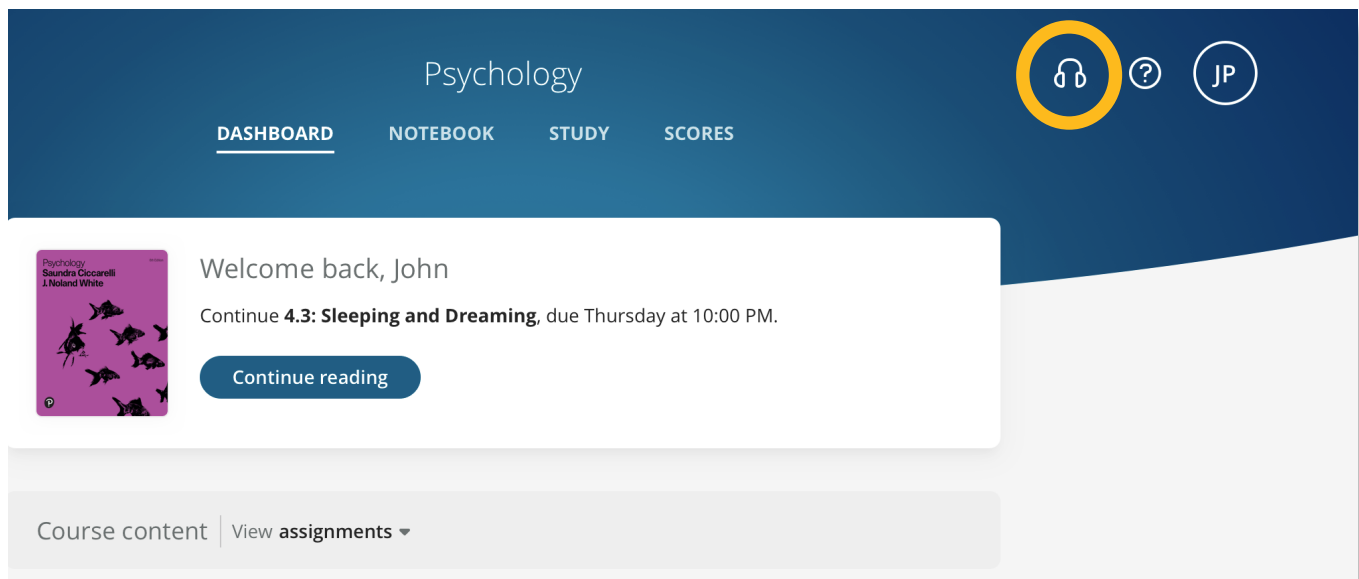

The reading or assessment is not yet available to access. Your instructor has set this reading or assessment to become available at a later date.

# Audio Playlist

Audio Playlist allows you to listen to your textbook as an audiobook. Catch up on your reading while on a walk, doing laundry, or while relaxing with headphones. Audio Playlist is available in most Revel courses.

## Audio Playlist on the web

Enter your course and select the Audio Playlist icon. Select a track and hit play to start listening.

# Scores

**Scores** allows you to view your results for all your assignments in one place. You can view your overall score in the course and track your progress throughout the term. Select an assignment from **Your assignment scores** list to view more detailed information.

**Video:** View Scores in Revel

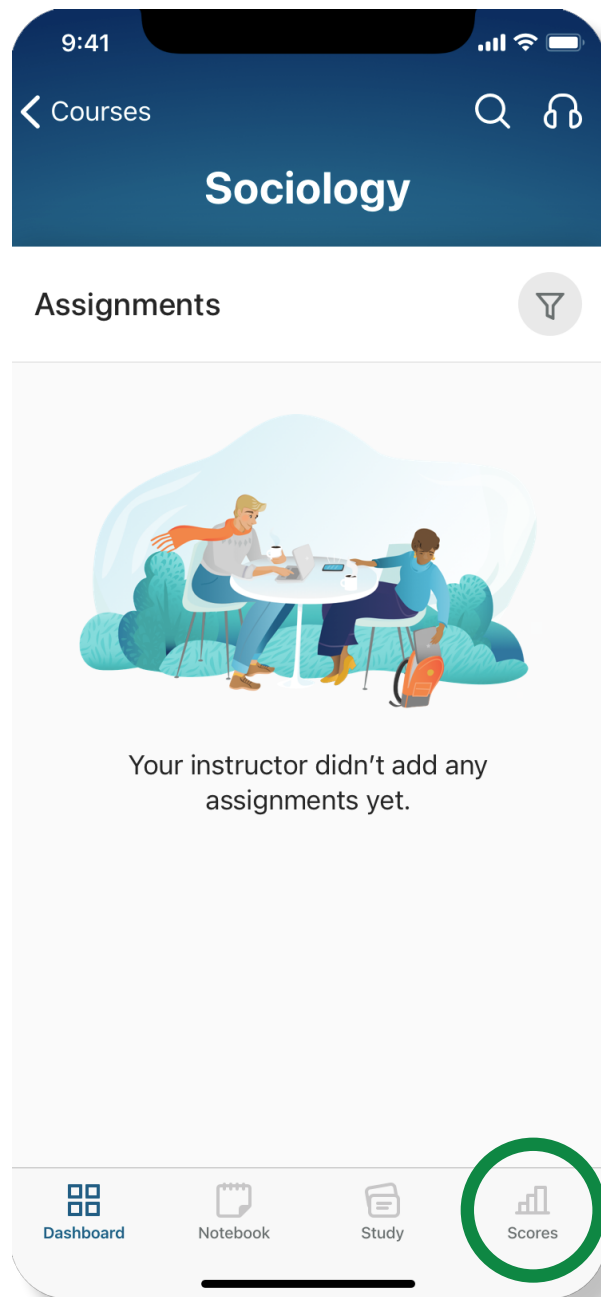

## Scores on the web

The screenshot shows the Revel interface for a course titled "Music 101". At the top, there is a navigation bar with a Pearson logo, the course name "Music 101", and icons for headphones, a question mark, and a user profile labeled "MH". Below this, a secondary navigation bar contains links for "DASHBOARD", "NOTEBOOK", "STUDY", and "SCORES". The "SCORES" link is highlighted with a yellow circle. The main content area features a circular progress indicator showing a "REVEL SCORE" of 32%. To the right of the progress indicator, the text "Keep studying, Matt" is displayed, followed by a subtext: "As you complete assignments, see how your Revel score changes." Below this section, the heading "Your assignment scores" is visible, along with a "Sort by due date" dropdown menu. The bottom of the screenshot shows a table header with a "Score" column.
